CONTACTS: Valerie Joosten, DNR waste management engineer, Green Bay, 920-662-5486  
Ed Culhane, DNR communications, Appleton, 715-781-1683

SUBJECT: **Mar-Oco Landfill positions itself to accept non-municipal waste**

TOWN OF STEPHENSON – A public meeting to discuss the acceptance of dredged material at Mar-Oco Landfill will be held by the Department of Natural Resources at 6:30 p.m. Tuesday, Sept. 23, at the Town of Stephenson Hall, W11280 County Road X.

Mar-Oco Landfill, serving Marinette and Oconto counties, has proposed a special waste acceptance plan to screen non-municipal wastes that may be accepted at the landfill. The plan includes the acceptance of dredged material. Mar-Oco Landfill proposes to use the dredged material as alternate daily cover within the landfill.

The purpose of the meeting is to solicit public comment on the proposal. There will be a brief introduction and explanation of the project by DNR and Marinette County representatives. The meeting will then be opened up for questions and comments.

Written comments may be sent to Valerie Joosten, Department of Natural Resources, 2984 Shawano Ave., Green Bay WI 54313. Comments will be accepted through September 23, 2014. All public comments will be considered by DNR prior to a decision on whether to approve the acceptance of dredged material at Mar-Oco Landfill.
